

After-school program at Knowledge Quest Academy!

Young Peoples Learning Center will be continue an After School program at Knowledge Quest Academy this school year. We have been providing quality programs to children in the Fort Collins area for 36 years. We have brought our quality preschool programs to the Milliken-Johnstown area and are hearing from a lot of parents that they need **HIGH QUALITY AFTER SCHOOL CARE**.

The difference in our programs...

Our programs are more active and entertaining than any around. We believe children should keep moving, doing and making any time they are with us. We do not believe it is our job to be supervisors of children, but rather to be teachers, coaches and playmates.

We know how to hire, train and retain mature, responsible and engaged staff – which is what we believe is THE element that sets us apart from other programs.

Every Day is Action-Packed!

We offer care from school dismissal through 6:00 pm. Once a week we take kids out of the school on an awesome field trip to expand their experiences. On days when school is not in session, we have day camps that begin at 7:00 am and keep kids moving until 6:00 pm.

<u>Regular After School Days:</u>	<u>Field Trips Days:</u>	<u>Camp Days:</u>

Costs and Registration Information

Days Per Week	After-School Cost Per Week	Camp Days: \$48 per day
5	\$79	
4	\$69	
3	\$56	Registration Fee: \$50 per year
2	\$39	
1	\$22	
Drop In	\$27	

Field Trips, snacks and all activities are included in this price.

“Drop-In” days are days when your child is not usually registered for our program. Parents who only need occasional days can register their children in our program and then call a day or two ahead of time and add them to our program for just one day.

In order to register, we need the “registration packet” filled out and will also need a copy of your child’s most recent immunization record. These packets are available on our website: www.youngpeopleslc.com/KQA or can be picked up at KQA, our preschool center (1015 E. Elm Street, Milliken) or can be filled out on August 19th at Back to School Night. We would love to know ahead of time if you are planning to register, so please fill out our **interest survey** also on the above website. This is also a good way to get additional questions answered.

We will be meeting this year in the cafeteria of KQA. At pick-up time, you can come in through the side cafeteria door and directly to us there to sign out and pick up your child. We will be here until 6 pm each day!
